About Versatile Commodity Traders

Versatile Commodity Traders also known as VC Traders is a newly formed PTY Ltd under the directorship of Caleb Stephen David.

VC Traders is Registered and Established in the Republic of South Africa in May 2014 based on mutual agreements with Suppliers in South Africa and International Locations for the wholesale of Premium Petroleum products into South Africa.

Versatile commodity traders has established Strong business relations with suppliers that hold International licenses for procuring and distribution for resale.

Versatile commodity traders have identified a niche gap in this procuring and distribution for resale.
